Re: Post Finances

Dear Comrades:

Through no fault of anyone we are in dire financial straits. As you all know we have been prevented from earning any money since March of 2020 due to COVID-19 shutdown, presently we are insolvent in that we are unable to maintain our bills including mortgage, taxes, insurance and all the other static obligations we have.

We are coming to you, the members to plea for your help in the form of cash in order to keep the Post alive until this COVID pandemic goes away. We would hope to have a monthly contribution of \$100.00 per member, but realizing that many of you are on fixed incomes any amount you can spare on a monthly basis is appreciated. The amount(s) you are able to donate are fully tax deductible as the VFW is a 501 (C-3) organization.

The only other options are to merge with another Post or surrender the Charter and dissolve our Post neither of which are attractive. We do not have a clue as to when CA will open up again, but hopefully by this fall we can get back to normal. We are urging you to assist.

Respectfully,

Paul McDonald
